WEB HACKATHON

Problem Statement: **Total: 150 marks**

1. Design a Resume of yourself with following constraints.
   - Career Objective (use marque tag) – Eg, One sentence about yourself.
   - Personal Details – Photo, Name, DOB, Phone number, Email id, Address (Full Address).
     Note: Photo should be at right side of the page.
   - Education Details - From higher studies to lower studies (i.e., M.Tech, B.Tech, 12th, 10th, ,etc.)
   - Work Experience - internships, conferences, exposure in industries or companies.
   - Technical Skills – Eg. Programming in C, Web Development, etc.
   - Projects (with brief description) – Eg. - Self Resume, GMRIT-Website, ACM-app.
   - Achievements and Awards – 10/10 in 1st sem, MLH Web Hackathon first prize.
   - Contact information (social media) in footer. Eg – Facebook, Instagram etc.
2. Host your website with your team name. Eg. codinggeeks.ml
